

PRAIRIE FUSION

Arts & Entertainment

January 24th, 2022

Greetings!

On behalf of our organization, I hope this message finds you and yours well, and finding some sense of normalcy during these trying times.

We are thrilled to welcome programming back into our space after a very long year of closure. Our winter classes have completed their first week of education, and we are beyond excited to welcome *Abandoned*, featuring the stunning photography of Helen Rempel, to the Main Gallery!

Prairie Fusion Arts & Entertainment has spent a considerable amount of time in redefining our organization's goals, mandate and vision. We believe in offering quality, professional programming and education, as an inclusive community space.

We are looking to our community for support and ask for your help maintaining our place as a vibrant jewel in the Central Region. We are seeking sponsorship for our gallery exhibitions and Glesby Theatre performances, and look forward to creating a partnership that will be mutually beneficial. We have three levels of sponsorship, ranging from "Presenting Partner", at \$1,500; "Supporting Sponsor" at \$1,000; and "PFAE Friends" at \$750. Should you require more information on what comes with each level of support, a supporting document is attached.

I thank you sincerely for your time and consideration of this request, and as always, I am available at any time to discuss our organization, and community partnerships.

Sincerely,

Stefanie Dunn
Executive Director
